Challenge the Helm CONNECT Certified Administrator Exam

If you're confident in your knowledge of Helm CONNECT and want to become a Certified Administrator without taking a one-week course, we'll let you challenge our exam!

How long will the exam take?

We'll give you up to five days to finish your exam. We'll send you a list of requirements on a Monday morning and ask you to configure a new Helm CONNECT environment by the end of the day the following Friday. Once you're done, we'll send you your results within two weeks.

What's the cost to challenge the exam?

Challenging the exam costs **US \$250** per person per course.
